

## PUBLIC PARTICIPATION FEBRUARY 2018

Robert Jenkins asked the PC for their support in obtaining DAPHNE, a steam engine, that worked in Church Quarry. She was named after Squire Hardwicke's eldest daughter. The clerk was asked to write to Thornbury Museum to see whether they would act as an affiliate, so that the PC and Tytherington Roots could possibly take possession of the engine.

Robert Jenkins also made some suggestions for the use of the kiosk. Pre-school would like to show their work, seed swap,

Huw Johnson asked for an update on the change of road sign at the top of New Road. The clerk advised that she had heard nothing at present.

Simon Pritchard asked that the items stored in his garage be removed by the end of April.

Cllr Wrench will follow up on the flooding problem along Baden Hill Road.

It was suggested that the Leyhill workers be used to build benches, remove sludge on Woodlands Road and along the road towards the Hardwicke Field.

Another pothole had appeared along Itchington Road by the farm.
